

*Frontpanel opened*

*Interior view*

The **M-201** is a modern desktop case, that offers space for a Mini-ITX or a Micro-ATX Mainboard (max. depth 210mm).

The front door can be opened up to the side and releases the external drive bay. The USB and audio connectors are placed at the edges of the front bezel and can be used without opening the door.

A powerful 350W power supply provides enough power for all components.

## Specifications

Motherboard	Mini-ITX, µATX (max. depth 210mm) <small>Assembling only with low-profile extension cards</small>
Drive Bays	5.25" external: 1 3.5" external: 0 3.5" internal: 1
