

CM-35 Black Velvetion – Elegance doesn't need to be expensive

The **Black Velvetion** is a modern, straight and elegant case and is perfectly suited for home and office systems. He is the little brother of our famous CK-30 Black Velvet. Basically, it is designed slimmer and built of lighter sheets to be a lower-priced alternative.

The case is coated in matt black. One Card Reader, as well as **USB 3.0**, headphone and microphone front connectors are integrated into the upper part of the front panel and are very well accessible. A silent 500W power supply is also standard.
