

Bluetooth Speaker Nitrox iStage Mini

Inter-Tech Elektronik Handels GmbH

Nitrox iStage Mini – Powerful joy of listening due to wireless streaming

The **Nitrox iStage Mini** gives you the opportunity of having a great sound experience where ever you go. Whether you are cycling, climbing, skiing or any other preferred activity, all is easily possible with this device. Due to the integrated Lithium Battery you can listen to your favorite music for up to 6 hours. Two integrated 4 Watt speakers enable a strong sound with a deep base.

Besides the possibility of connecting the **Nitrox iStage Mini** via Bluetooth® or via NFC® to a smartphone, it also has an additional stereo AUX socket for a connection to any MP3 player.

The rubberized internal of the frame gives a comfortable fit and enables the **Nitrox iStage Mini** to be worn around the neck while doing sports or any other preferred activity. It also features a stand for every current smartphone. Just place the smartphone between the speakers, connect it to the **Nitrox iStage Mini**, lean back and start a video playback.

In addition the integrated microphone allows you to use the **Nitrox iStage Mini** as a hands free set for phone calls.
