## **2 Safety**

### **2.1 Intendend use**

#### **2.1.1 Environmental**

These devices are only for indoor use and to use in combination with computers.

Don't use and store it inside humid rooms or near water.

Don't use it close to source of heat. The additional heat could lead to overheating and fire.

#### **2.1.2 Disposal**

Don't put this device to normal waste.

Please read the instruction at chapter 7 for disposal of packaging and device.

### **2.2 General information**

Please read this manual carefully before installing or use these devices.

Keep this manual and pass it by passing the devices.

Please follow the instructions and warning of this manual before using the devices.

The inobservance of this manual can effect violations and damage.

We disclaim liability for violations and damages caused by inobservance of this manual.

## 2.3 **Danger and protection**

Don't apply any forces onto the devices.

Don't use the product with wet hands.

The use of keyboards and mouses can cause hardening, pain and even damages at arms, legs, shoulders, neck or back.

Take precautions against these problems:

Adjust the sitting position to an optimal position for torso, arms and hands.

Interrupt your work for a short pause in movement frequently.

Change your sitting position once in a while.

Take care of the correct distance to monitor, mouse and keyboard.

Take care of a correct posture of shoulders and wrists.

Contact your doctor in case of pain, pins and needles or numbness after using mouse or keyboard.

### 3 Technical data

#### Keyboard

Connection	USB DC 5V=
Keys	105
Cable length	1500 mm
Dimension	435 x 133 x 20 mm
OS	Win. up from XP/ Linux/ MAC OS

#### Mouse

Connection	USB DC 5V=
Keys	3
Cable length	1500 mm
Dimension	98 x 43 x 24 mm
OS	Win. up from XP/ Linux/ MAC OS

#### Environmental

Temperature	0 - 40°C	Operation
	-40 - 80°C	Storage
Humidity	< 90%	Operation
	< 93%	Storage

## **4 Installation**

1. Unpack the devices and check the package content for completeness or damages.

In case of missing parts or external damages, please contact your local dealer for replacement.

Please keep the original package for shipping in case of warranty claim.

2. Insert the USB plug into a USB connector of your computer.

It doesn't matter to use an USB 2.0 or USB 3.0 connector.

3. Your OS detects the devices automatically and installs necessary drivers by itself.  
Thereby the installation is completed and the devices are ready to use.

## 5 FAQ

Error	Possible reason(s)	Help
Keyboard or mouse doesn't work or doesn't work correctly.	Cable not connected.	Check if the cable(s) are plugged correctly.
	USB connector defective.	Plug the cable into another USB connector.
Mouse does not work correctly.	Optical sensor soiled.	Clean the sensor at the upper side of the mouse.

## 6 Maintenance

The devices need no maintenance which requires opening of the housing or working inside the devices.

Dirt at the surface of keyboard or mouse can be removed by using a damp rag.

Dirt at the sensor of the mouse can be removed by blowing off or using a brush.

Don't use a wet rag for cleaning. Water could break into the device and damage the electronics.

## **7 Disposal**

Please dispose your devices by using the special discharge points for electronic waste. Please ask your municipality or disposal company in case of further questions.

Dispose cardboard and plastics from package according your local law.

## **8 Warranty terms**

Inter-Tech grants 24 months warranty by proper use up from the date of purchase.

In case of warranty please contact your local dealer or the dealer from which you bought the product.

We will grant no warranty by:

- Missing or damaged warranty seal,
- Negligent behavior,
- Improper use,
- Nonobservance of the manual,
- External violence,
- Acts of god,
- Damages caused by manipulation, upgrading, updating or reconstruction of hardware or software
- Damages caused by other harm,

In case of data loss Inter-Tech will only be liable at wanton negligence or deliberate intention or, in all other cases, only for the recovery of data from a continuous, daily backup. Inter-Tech does not assume liability for all other matters.

Please look also at our complete warranty terms on our website.
