

## **NK-1000EC - Your affordable keyboard and mouse set**

The NK-1000EC set consists of a robust standard keyboard (QWERTY) and mouse. The keys have full stroke and are very easy to operate. The printed inscription is protected against UV radiation. The ergonomic mouse has an 800dpi sensor and thus enables precise work. Sufficiently long cables with USB connection make you independent from batteries.

- ✓ stable, black housing
- ✓ USB connection
- ✓ ergonomic mouse
- ✓ 24 Months Warranty
