

With the mobile Bluetooth® Lautsprecher M7 the enjoyment of the music is no more locally restricted!

Are you still looking for a solution to listen music at a party in the garden, anywhere in the house or when laying at the beach.

The Bluetooth® Speaker M7 will help you to get this unlimited musical enjoyment. Thanks to its small size, the built-in battery and the integrated Bluetooth®-Technology you can enjoy music everywhere. The telephone and audio recording function make free phone calls possible while listening to music. Of course it is also possible to operate the Bluetooth® Speaker M7 via a power outlet and a cable connection directly to the phone.
