Argus KT001B – Adapter for M.2 SATA drives

The KT001B adapter enables connecting a M.2 SSD (42/ 60/ 80mm) to any SATA port inside a computer. Just fix the M.2 SSD on the adapter and mount it in a free 3.5" slot. The connection between board and computer is made by SATA data/ power. With the two included full-size and low-profile slot brackets, the KT001B can also be mounted in a free slot. The scope of delivery includes mounting screws as well as a small screwdriver.

✓ Direct connection
✓ Frame made of stable plastic
✓ SATA III Standard
✓ Fast data transfer
