ARGUS GDC-802 - multifunctional USB Type C dockingstation

The compact, multifunctional Argus GDC-802 USB Type C dockingstation offers a high degree of connectivity in a small space. It is also possible to transfer data from external data media to the connected device via the three USB 3.0 Type A sockets or the integrated card reader.

For example, external devices such as smartphones can be charged super-fast via the 30cm long USB 3.1 Type C connection cable using PD 3.0 support, or video signals can be transmitted in 4K (3840x2160@30Hz) via HDMI. It is also possible to transfer data from external data media to the connected device via the three USB 3.0 Type A sockets or the integrated card reader.

Another highlight is the RJ45 network connection, which is often omitted from modern notebooks and thus offers the possibility of establishing a wired gigabit network connection, far from WLAN.

The aluminium housing is also a real eye-catcher and fits in any notebook bag.

✓ 3-fold USB 3.0 Type A dockingstation

✓ 4K HDMI transmission (max. 3840x2160@30Hz)

✓ RJ45 Gigabit network connection

✓ PD 3.0 USB Type C support

✓ integrated card reader

Errors excepted. No warranty for the correctness of the information State: 28.01.2022

Specifications

Main interface	USB 3.1 Type C
USB Type C charging socket	PD version 3.0*
	PD voltage 5V, 20A (max. 100W)
	PD current 3A
USB ports	3x USB 3.0 Type A socket (up to 5Gbps)
Video interface	Standard HDMI connector*
	Resolution max. 3840x2160@30Hz (4K)
	Audio signal transmission
Network interface	RJ45 (Gigabit Ethernet)
	Transfer rate 1000Mbps (half & full duplex)
	IEEE 802.3az, IEEE 802.3u, IEEE 802.3ab, IEEE 802.3x
	IEEE 802.1Q VLAN tagging, 2 VLAN ID filtering
	Wake-On-Lan (WOL)
	Checksum Offload (IPv4, IPv6, TCP, UDP)
	TCP Large Send Offload
	Jumbo Frame
	Suspend Mode
	Remote WakeUp via Link-Change,
	Magic Packet/Microsoft WakeUp
Card reader	1x Micro SD (TF), 1x SD/MMC**
Supported operating systems	Windows 7, 8, 8.1, 10, 11
	Mac 10.6 or higher, Linux
Net dimensions (H/W/D)	16x50x118mm
Packaging dimensions (H/W/D)	20X100x195mm
Net weight	85g
Gross weight	120g
Packaging unit (VE/VPE/PAL)	1/50/3500
Guarantee and warranty	24 months warranty
Article number	88885551
EAN code	4260455646734
Scope of delivery	Instruction manual (german/english)
Features	Compact aluminium case
	USB Type C connection cable (30cm long)
	Supports PD version 3.0*
	1x RJ45 Gigabit network jack
	4K HDMI output (3840x2160@30Hz)*
	3-way USB 3.0 Type A dockingstation
	Integrated card reader for Micro SD (TF) or SD/MMC**

*depending on the functionality of the USB port of your device
**simultaneous use not possible
