

MTS-100 – high quality mobile phone and tablet holder

The foldable holder MTS-100 offers all mobile phones and tablets, up to a size of 12" and 800g, a secure stand and can be tilted in 7 angles from 10°-60°. Height adjustment is problem-free possible in 10 steps by simply pushing.

Made of aluminum in the color titanium gray, it not only looks timeless and extremely high quality, it also prevents the end device from slipping thanks to the high quality non-slip surface and the four integrated non-slip feet.

When folded, the holder is only 7x67x129mm and fits into almost any trouser pocket with the transport bag.
