

Desktop cooler T-200

This CPU-cooler with a smooth running 80mm fan and a TDP of up to 85W ensures a reliable cooling of your CPU.

The T-200 is compatible to several Intel®-sockets. Thanks to the pre-fixed screws and robust socket it fits on most processor platforms and can be mounted fast and easy. Compatible sockets are: Intel®-sockets 1150, 1151, 1155, 1156 and 1200. 4pin PWM-connector can be regulated by temperature and stays silent with a max. of 25.0dbA.

With a height of 34mm the cooler finds preferred usage in mini-ITX cases, the small weight of the cooler means also less weight on the mainboard and thus ensures secure transports. The copper-heatpipes guarantee an optimum of heat dissipation and cooling efficiency.

- ✓ Small design (34mm height)
- ✓ Small weight (175g)
- ✓ 80mm fan with 4pin PWM-connector
- ✓ TDP up to 85W

Specifications

CPU Sockets	Intel® Sockel LGA1150, 1151, 1155, 1156, 1200
Fan dimensions (H/W/D)	80x80x15mm
Rated voltage	12V
Fan speed	600-1800 RPM
Air flow	Up to 30.58 m ³ /h
Air pressure	Up to 1.15 mmH ₂ O
Noise level	max. 26dBA
Fan connector	4pin PWM
Net dimensions (H/W/D)	34/94/94mm
Package dimensions (H/W/D)	56/100/100mm
Weight (net)	175g
Weight (gross)	220g
Packing units (VE/VPE/PAL)	1/60/1500
Warranty	24 Months
Article number	88885434
EAN-Code	4260455642675
Scope of delivery	Mounting kit for Intel® sockets LGA1150, 1155, 1151, 1156, 1200 Thermal compound
Features	Cold plate with copper base Height only 34mm 80mm fan with 4pin PWM-connector TDP up to 85W
