

ITX-601

This case for ITX mainboards offers good thermal relief for the built-in components thanks to ventilation openings all around. By installing an optional 50mm fan in the side of the case, the airflow can also be improved.

The case is ultra-compact and can accommodate two 2.5" drives in addition to the mainboard. The case has a removable carrier that houses the drives. The case can be secured with a Kensington lock to prevent theft.

Thanks to this minimalist concept, the ITX-601 can be used almost anywhere. The design also supports this claim, as it is timeless and discreet. A standard, external power pack with 60 watts rounds off the attractive offer.

Specifications

Motherboard	ITX
Drive bays	2.5" internal: 2
Front connectors	-
Case openings	WLAN antenna: 1
Cooling system	Side: 1x 50mm (optional)
Power input	For 12V plugs with dimensions of 5.5x2.5x10.7mm
Maximum CPU cooler height	40mm
Maximum graphics card length	-
Packing units	Shipping unit: 1 Piece Packing unit: 10 Pieces
Guarantee and Warranty	Power Supply 24 Months Guarantee Case 24 Months Warranty
Article number	88881217
EAN-Code	4260133128491
Scope of delivery	Screw Set Rubber feet (adhesive) External 60W PSU Power Cord
Optional accessories	External 90W PSU (Art. 88882098) External 120W PSU (Art. 88882103)
