

MC-02 Micro

The **MC-02 Micro** convinces with several mounting options in a small case. Beside the space for the HDDs, the case offers openable HDD brackets which make the mounting of all components a cinch. Rubber buffers in the mounting holes for one 3.5" HDD and dumped case feet ensure a quiet operation. The cage is completely vanished in black and with its rounded corners it looks as if it was made from one piece.

The **MC-02 Micro** is equipped with one USB 3.0 und USB 2.0 connector in the front panel. A Card-Reader for SDXC and Micro SDXC-cards is also included. Space for graphics Cards with a length of 30.5cm complete the offer.
