Inter-Tech Elektronik Handels GmbH

IT-2508 Square– incredibly quiet!

With its simple look, the IT-2508 Square offers the perfect basis for a silent PC system.

The insulated case has been designed for quiet running systems and is therefore ideal for use in a low-noise environment.

Thanks to the spacious interior and the absence of external drive bays, the case offers sufficient space for graphics cards up to a length of 310mm.

Standard insulation mats on both sides and in the cover as well as the mounting option for water cooling up to 280mm complete the package.

✓Both sides and cover sound insulated
✓1x USB 3.0 interfaces
✓Dustfilter on the bottom
✓Rubberized power supply pads
