

Model: S37

Art.: 88887313

The IPC S37 is a perfect case for a cost-efficient Mini Server System. Using high-level material combined with excellent workmanship we created a variable and reliable industrial case.

So the IPC S37 supports ITX and Micro-ATX as well as ATX Mainboards and provides two cutouts for DB9/DB15 ports at the backside of the case.

Furthermore the case has two 80mm fans with exchangeable dust filters in the front, perforated slot brackets and two USB 3.2Gen1 front ports.

Errors excepted.
