IPC 6U-6606

The **IPC 6U-6606** is the ideal case for a small and cheap server solution. With its excellent quality and finish, Inter-Tech established the base for a very variable case.

It offers the possibility to install six 2.5" or 3.5" Hot-Swap HDDs with lockable tray, one 5.25" external device, seven 2,5" and nine 3.5" internal HDDs.

The **6U-6606** has a lockable front, removable dust filters and three 120mm fans included. Space for two more optional 80mm fans ensure reliable and optimal cooling.

Additional extras like the reusable and perforated slot brackets, the USB 3.0 connectors and the lid with the snap lock complete the offer.
