

PD-1020 - USB Type C fast charger

With this USB Type C fast charger you can charge your device in no time at all. Thanks to the compatibility with USB-C Power Delivery (PD 3.0) and Quick Charge® 2.0 standard and a charging power of up to 20W, the PD-1020 enables devices to be 50% in approx. 30 minutes and 100% in less than 100 minutes fully charged (depending on the connected device). The integrated protective circuits ensure absolute safety during the charging process and protect the connected device from damage.

Thanks to its compact dimensions, the PD-1020 fits in almost any pocket and is the ideal companion for on the go.

- ✓ Up to 20W charging power
- ✓ USB-C Power Delivery (PD 3.0)
