

PD-2100 - USB Type C Charger

The PD-2100 is a compact plug-in power supply for operating or charging Smartphones, Tablets, Notebooks or any device with USB-C connector.

Devices supporting PD-Charging can be charged with 5/ 9/ 12/ 15 or 20V= and 100W at max.

In case your device doesn't support PD-Charging, the charger simply supplies 5V= output power.
